FAST CAT

The FAST CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no place- ments. Titles are issued at designated benchmarks. The dog's time to complete the 100 yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

204.545 /time = MPH

Example: The dog's time is 8.14 seconds.

204.545/8.14 = 25.13 MPH

Points = MPH multiplied by the dog's handicap

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points.

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

Fast CAT is open to all dogs 12 months of age or older that are individually registered/ listed with the AKC registration as purebreds, Foundation Stock Service (FSS) dogs, Purebred Alternative Listing (PAL) dogs and AKC Canine Partner Program.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are over- weight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

ALL DOGS RUN AT OWNER'S SOLE RISK

- All entries must be 12 months of age or older on the day of the test.
- Each dog requires an individual entry form for each event in which it is entered.
- Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form.
- Bitches in season and lame dogs will be excused. Entries will be refunded
- Mixed breeds must be spayed or neutered to be eligible to run. AKC registered dogs with breed disqualifications may be entered.
- Coursing is an athletic activity that can tax a dog's physical strength.
- Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded
- **A \$5.00 fine will be assessed for any loose dog on the field that is not competing in the course in progress.**
- **Battery powered, continuous loop equipment will be used. Lures consist of white plastic.**
- **Light Curtain times will be used. Stop watches will be available as back up timers**
- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
- The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.
- Persons exhibit conduct detrimental to the AKC/any dog(s)/other person(s) will be asked to leave the trial site.
- Bring your own shade and water.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

TIPS FOR HANDLERS

- The field is fenced. However, it is strongly recommended that prior to running your dog, you have good “recall” control over your dog, as the dogs will be off leash.
- Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them.
- Dogs will be brought to the start line on leash and released only upon a verbal signal (“Tally-Ho!”) from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
- **Handler should have someone familiar with the dog at the end of the course to retrieve the dog or have someone else release their dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash.**

Handlers MAY recall their dogs to them.

- Lure coursing is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
- Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.

HANDLING. Dogs should run naked or wearing a close fitting buckle collar. Choke collars and collars with tags or dangling decoration will not be allowed. Slip leads can be used if the owner desires and will be provided to borrow. Dogs should have a reliable recall and be retrieved promptly by the owner/ handler at the end of the course.

Tallahassee Dog Training Club, Speed Dog Coursing, LLC, Members, Directors, Agents, Superintendents & Employees are not Responsible for Loss or Damage to, or Death of Any Dogs at these events or for the Possessions of Any Participant, whether the Result of an Accident or any other cause. It is expressly understood that every dog at this show is in the care, custody and control of the owner or handler during the entire time the dog is on the show premises.
